Hey Jay,

We can have a webinar link set up so that you can clearly view the materials being presented on the screen. I doubt we have video access in that room and even if we did it would be focused on the screen so that wouldn't provide the best viewing.

Is it possible to get video access to the CSTAG meeting?

Jay – We will set up a conference line for the morning of March 1st.

I'll send out a separate note with the call-in information once we figure out which conference line we can use.

Thanks -

Subject: FW: LPRSA - NJDEP Invite for CSTAG meeting 3/1/18

As a reminder, please let me know by COB tomorrow (2/2) whether the NJDEP will attend the CSTAG Stakeholder portion of the meeting on **Thursday, March 1st**.

I will also need to know by tomorrow whether NJDEP intends to make a presentation at the **March 1st** CSTAG meeting.

Additionally, written material may be provided ahead of time for CSTAG's consideration. The written materials may be provided in instead of, or in addition to an oral presentation. As indicated in my January 10th letter, any written material should not exceed thirty pages and should be emailed to me by **Friday, February 9th**.

Thanks in advance,
Jennifer LaPoma

Jay,

On behalf of EPA, please see the attached invitation to present at the Contaminated Sediment Technical Advisory Group meeting on the Lower Passaic River Study Area to be held on March 1, 2018.

Thank you,
Jennifer LaPoma
